JG/LG

Date as postmark

To whom it may concern

This is the letter to confirm the role of Dr Melania Geymonat Ramirez in the Quality Improvement project "Analysis of RACH CEPOD utilization by Plastics Department" between February-June 2024.

Ms Geymonat Ramirez initiated and developed the before mentioned project in order to understand the procedures in RACH CEPOD done by Plastics Department, with the aim of improving the efficiency of the department.

The data analysis has been disaggregated by frequency, department, type of surgery and role of surgeon in charge and can be used as a precedent for more resource allocation.

Her role included data gathering, data analysis, creating a presentation.

She demonstrated a clear understanding of the principles of a Quality Improvement project, proactivity and initiative.

I wish her all the best in her future endeavours.

A handwritten signature in black ink, appearing to be 'JG' followed by a long, sweeping horizontal line that ends in a small loop.

Mrs Jennifer Greenhowe

Consultant Plastic Surgeon
